

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: Forest Practices Application #2703057. This proposal is for 80 acres of uneven aged timber harvest with the intention to convert the land out of timber production and to residential lots. Approximately 100,000 board feet will be removed and yarded by tracked skidder.

This SEPA review pertains only to the forest practices activities. Subsequent development activities may require additional review and County permits.

Proponent: Schuller/Deneen Family Ranch Trust

Location of proposal, including street address, if any: NE1/4, NE1/4 Section 03, T19N, R14E, approximately 7 miles southwest of the City of Cle Elum, Kittitas County, Washington.

Lead agency: Washington Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
